

# THE PERRYSBURG JOURNAL---Extra.

**THE REIGN OF ART.**—In this wonderful age, Art lays her master touches on almost every thing. The ceilings over us and the carpets we tread on, are hallowed by Art. Art winds the railway through the mountains and the mud, makes her machines of wood and iron to act as if with knowledge, and annihilates space with lightning tamed down to the tutelage of a boy. Nothing is too lofty for her touch and nothing too humble. A new proof of this old conviction, has just fallen under our notice, in the shape of a *cathartic pill*, from the laboratory of that world renowned chemist, Dr. J. C. AYER.

If we understand the subject, he has carried that article to the farthest perfection of which it is capable. Instead of employing Drugs in its composition, as we had always thought the necessary and only way, he has with consummate skill extracted the *virtues* of the medicines to be employed, and combined them alone in their purity together. The composition is then mixed, and rolled by machinery and steam power into a spheroid pill, which is wrapped in an envelope of gelatine, for protection from the effects of weather or time, and then thickly coated with sugar, to serve as a passport over the palate. Notwithstanding all this labored perfection, they are offered to the public at less than one cent each. However humble the department, we think this may be safely characterized as the consummation of Art in its line.—[Morning News, Balt.

### DR. JOHN BULL'S SOMETHING NEW AND VALUABLE.

The most powerful King on the face of the globe now reigns supreme in the American Republic. The power of the crowned heads of Europe sunk into insignificance when compared to our American King.  
European Kings employ the power vested in them to increase the riches of the rich and lordly, and to reduce to greater misery and degradation, the poor and dependent. Our American King goes forth with equal willingness to the lordly mansion and the humble cabin, ready alike to administer relief, and to offer health and happiness to the lofty and lowly, the rich and the poor.

### DR. JOHN BULL'S GREAT AMERICAN KING

Is the TENN WINDS OF THE WORLD, and the greatest blessing ever offered to afflicted humanity; to the suffering millions, the doctor can say, relief is at your command. You have only to use this magical remedy. All those who still suffer, and will not accept the proffered balm, deserve not the pity of their families.  
This wonderful medicine, during the brief period since its introduction, has carried happiness to the hearts of thousands, and made life a charm to many who heretofore regarded it only as a painful and miserable existence.

To the winds with all Infirmities, Embrocations, Pain, Rheum, and Pain Extractors, and let millions of glad tongues proclaim the merits of the great "American King of Pain," a preparation composed solely of vegetable roots, produced by America's own rich and bounteous soil.

We would ask the LADIES, who are always competent judges of what is and what is not a valuable family medicine, to do us a special favor by giving the King of Pain a single trial, and if satisfactory, exert their influence in its behalf, recommend it, speak well and often of it, and see that it is used by their afflicted neighbors. The Ladies are always charitable, and when they induce their suffering friends to use this really valuable medicine, they will be doing an act of benevolence that they can well be proud of. This is a powerful and truly magical remedy for all external diseases, sores, swellings, burns, &c., and for many internal affections, it is a certain cure, yet it is perfectly harmless, and incapable of producing the least injurious effects in the most delicate cases or the weakest constitution.

It is entirely useless to follow the old and worn-out system of publishing to the public thousands of certificates of wonders performed by this medicine. It costs but twenty-five cents to try it, and Dr. Bull states his well-earned reputation on the King of Pain doing a hundred times more than he claims for it.

We would ask have you the Rheumatism or Gout; these are not pleasant companions, and we know that you would like to drive them away as soon as possible, then use "BULL'S KING OF PAIN."

Would you be cured almost immediately of Bowel Complaint, Dysentery, Summer Complaint, Cholera Morbus, Cramp Cholera, Head Ache, Tooth or any other ache or pain, the remedy is simple and the cure certain, USE THE GREAT KING OF PAIN.

Would you have your Sores, Swellings, Cuts, Burns, Scalds, Bruises, or any other wounds healed, we repeat it, use the MAGICAL KING OF PAIN.

Would you be cured of Scald Head, Stiff Joints, Sore Throat, Neuralgia, Sore Breast, Lumbago, Tetter or Ring Worm, Salt Rheum, Bites of Poisonous Insects, Chapped Hands, and all other Sores, either Dry or Running, we say again and again, your REMEDY is Dr. John Bull's "KING OF PAIN."

Would you be cured of King's Evil, Cancer, Tumors, Eruptions, or any disease of the Skin caused by Impure Blood, then use Dr. John Bull's Sarsaparilla internally, and the King of Pain externally, nothing can be more certain than a speedy and effectual cure.

The above popular medicine just received and for sale by CHA'S BEAUPRE, Postmaster, Perrysburg, And by Dr. H. BURRITT, Maumee City.

### DR. JOHN BULL'S SARSAPARILLA.

This medicine, when used according to directions, will cure, without fail:—

- Scrofula, or King's Evil,
- Cancers, Eruptions of the Skin, Erysipelas,
- Tumors, Chronic Sore Eyes,
- Ring Worm or Tetter, Scald Head,
- Rheumatism, Pains in the Bones or Joints, Old Sores and Ulcers, Swelling of the Glands, Syphilis, Dyspepsia, Salt Rheum,
- Diseases of the Kidneys, Diseases arising from the use of Mercury, Loss of Appetite, Pain in the Side and Shoulders, General Debility, Lumbago, Coughs, Colds, Dropsy, Jaundice, Catarrhus, Bronchitis, Weakness of Chest, Sore Throat, Pulmonary Affections, and all other Diseases tending to produce Consumption, Liver Complaints, Female Irregularities and Complaints, Low Spirits, Sick and nervous Headache, Night Sweats, Exposures, or Imprudence in Life, Chronic Constitutional Diseases, and as a Spring and Summer Drink, and General Tonic for the System, and a Gentle and Pleasant Purgative, it is superior to Blue Lick and Congress Water, Salts, Sulfites, Powders.

It is a remarkable fact, that among the hundreds of eminent physicians who have examined the recipe by which Bull's Sarsaparilla is prepared, not one has condemned it, but all approve it, and commend it in the highest terms. Many physicians express themselves strongly in the belief that it is decidedly the best preparation of Sarsaparilla that has ever been placed before the public. Although there are many physicians who feel a reluctance to having their names appended to the recommendation of any particular remedy, notwithstanding they may approve of it in the highest degree, there are others who frankly yield their support in favor of a remedy which they know is capable of doing so much good in an afflicted community. As an evidence, read the following from old and respected physicians, of high standing in the community in which they live.

### TESTIMONY:

Testimony like the following renders superfluous all comments on the efficacy of Bull's Sarsaparilla. I am Dr. L. P. Vandell, Professor of Chemistry in the Louisville Medical College. I have looked over the list of ingredients composing John Bull's Compound Extract of Sarsaparilla and have no hesitation in saying that they form a safe compound, and one that promises well in chronic diseases, to which it is applicable.

Louisville, June 6, 1848.

What Dr. Pyles, physician in attendance to the Louisville Marine Hospital, says of Bull's Sarsaparilla.  
Louisville, March 20, 1849.

I have examined the prescription for the preparation of John Bull's Sarsaparilla, and I believe the combination to be an excellent one, and well calculated to produce an alterative impression on the system. I have used it both in public and private practice, and think it is the best article of Sarsaparilla now in use.  
M. PYLE, M.D.  
Resident Physician Louisville Marine Hospital.

Better testimony than was ever offered in favor of any medicine. Rev. E. W. Johnson—Rev. E. Stevenson.  
Louisville, May 20th, 1849.

We have used John Bull's Sarsaparilla, and have known it to be used, with entire satisfaction; and we have no hesitation in stating our belief that it is a safe and valuable medical compound, and calculated to produce much good and relieve much suffering; and therefore would cheerfully and most earnestly recommend it to the afflicted.  
(Signed) E. W. JOHNSON, E. STEVENSON.

We would earnestly invite all persons who are suffering with any of the ailments which he is heir to, to call on Dr. John Bull's agent, and get a copy of Bull's Family Journal gratis; and for the sake of humanity we hope that a single individual will not be found unwilling to give Bull's Sarsaparilla a trial after reading, and reflecting, at the same time, that it is impossible for the Doctor to publish the tenth part of the number of certificates of astounding cures performed by his Sarsaparilla. The amount of testimony voluntarily showered on Dr. Bull's Sarsaparilla from well known and distinguished individuals, both in public and private life, has been perfectly overwhelming.
